OBJECTIVE

I am a dedicated B. Tech Computer Science student with hands-on experience in web development, programming, and real-time project execution. Through multiple internships, I have developed strong problem-solving skills and technical proficiency. I aim to apply my abilities to contribute effectively and create meaningful impact in my next role.

INTERNSHIPS

Myospaz Software Technologies Pvt:

Present Oct 2025

Worked on live projects using **HTML, CSS, JavaScript, and React.js**. Developed responsive UI components and optimized user experience. Collaborated with the team to implement new features and improve performance.

TechnoHacks EduTech:

Sept 2023

Completed a Web Development internship at TechnoHacks EduTech with assigned tasks delivered on time and with quality. Worked on practical projects using **HTML, CSS, and JavaScript**, improving front-end development skills.

DYNA Computer Institute Miraj:

July 2023

Completed a Python internship at DYNA Computer Institute, Miraj, focusing on learning Python fundamentals, programming concepts, and problem-solving techniques.

In-plant Training on IT Infrastructure & Management Sector:

Sept 2021

Completed In-plant Training focused on IT infrastructure, networking fundamentals, and system management processes.

PROJECTS

- ❖ **Air Pollution Monitoring System Using IOT:** An IoT-based air pollution monitoring system is an ideal solution that can provide real-time data and insights about the air quality in a particular area.
 - ❖ **Online Student Attendance System Android Application:** The purpose to develop an android-based attendance software is for registering students' details, teachers and related data and it is user friendly application.
 - ❖ **Virtual Mouse Using AI:** The objective is to use only finger motions to move the mouse pointer on the screen, a process known as gesture recognition, rather than using any hardware, like a mouse.
-

SKILLS

Programing Language: C, C++, Python. **Web Development:** HTML, CSS, JavaScript, React.js. **Databases:** MySQL.

Operating System: Linux. **Framework:** Excel.

Personal Skills: Passionate & Hardworking, Ability to work as a team, Time Management, Problem Solving, Adaptability. **Language:** Marathi, Hindi, English

CERTIFICATION & ACTIVITIES

- Completed Course in C Programming.
- Completed Course on JavaScript for Web Development on simplilearn.
- Second Rank in State Level Technical Event Project Exhibition
- Participated in Code Cracker state level technical event at SSIET College.
- Participate in Blind Coder competition at SSIET College.

EDUCATION

B.Tech. Computer Science and Engineering

2022-2025

Shree Santkrupa Institute of Engineering and Technology, Karad

8.94 CGPA

Diploma in Computer Engineering

2019-2022

Vidyavardhini Institute of Technology, Pal

80.74%

Secondary School Certificate

2019

R.V. Desai M.V.& Jr. College, Minche Kh. S.S.C

80.80%
